

## CuraMedix Connect

Valuable insights for better clinical and economic outcomes

Exciting news! We are thrilled to announce our new website, designed to create a better experience for our physician audience and your patients. We hope you'll take a look if you haven't yet! Check out [curamedix.com](http://curamedix.com).

In this issue of *CuraMedix Connect*, you'll meet a physician who has achieved a 90% success rate in treating **diabetic neuropathy** with EPAT. For medical experts interested in using EPAT to treat pseudarthrosis, you won't want to miss the latest Physician Overview of the Level 10 book, **Pseudarthrosis: Treatment with Focused Shock Waves**. Finally, tune in to (or read!) a radio interview with Dr. Brett Brodbeck for first-hand insights on how to obtain better patient outcomes and better practice results with EPAT.
