Valuable insights for better clinical and economic outcomes

Greetings!

The year may be winding down ... but the CuraMedix team is ramping up with even more ideas to help your practice thrive.

In this issue, you'll hear from a panel of physicians who have integrated EPAT as a way to improve patient satisfaction at their practices. Also, don't miss the news story of how one doctor "hit the ground running" to promote his practice by bringing EPAT to a local road race! Finally, learn one of the most common misconceptions about EPAT -- and why so many medical professionals have dispelled this #1 myth.

Interested in adding EPAT to your practice? Still have a few questions? Let talk!

All the best,
